

AMENDMENTS TO THE SPECIFICATION

On page 1, please insert the following paragraph after the title:

This Application is the national phase of PCT International Application No. PCT/JP05/000230, filed on January 12, 2005. The entire contents of each of the above-identified applications are hereby incorporated by reference.

On page 10, please replace paragraph [0050] commencing at line 14 with the following amended paragraph:

A thirteenth invention presumes an air purifier, which includes a discharge device for performing streamer discharge between a discharge electrode (41) and a counter electrode (42), for performing air purification of to-be-treated air by allowing the to-be-treated air to flow between the electrodes (41, 42). Wherein, the discharge device of the air purifier is the discharge device of any one of Claims 1 to 12.
